OUTDOOR LIVING
Design

Chez SIFAS, chaque élément de design, du choix des matériaux à l'attention portée aux détails, reflète notre dévouement à la création de mobilier d'extérieur qui n'est pas seulement élégant, mais aussi conçu pour durer.

Notre nouvelle collection est l'expression de cette philosophie, combinant un savoir-faire inégalé avec la beauté de la nature. Nous croyons que la vie en plein air devrait être une expérience immersive, un pont entre votre domicile et les paysages les plus époustouflants du monde.

Nous vous invitons à créer votre propre coin de paradis, inspiré par les endroits qui résonnent avec votre cœur et votre âme.

At SIFAS, every design element, from the choice of materials to the attention to detail, reflects our dedication to creating outdoor furniture that is not just beautiful, but also built to last.

Our new collection is the expression of this philosophy, combining unparalleled craftsmanship with the beauty of nature. We believe that outdoor living should be an immersive experience, a bridge between your home and the world's most breathtaking landscapes.

We invite you to create your own slice of paradise, inspired by the places that resonate with your heart and soul.

Jérôme Armaroli, SIFAS CEO.

Collections : BASKET - COCO - KOMFY - KROSS

CHRISTOPHE **PILLET**

La parfaite maîtrise de la sensualité et du raffinement de Christophe Pillet en fait l'un des rares créateurs français à avoir acquis une reconnaissance mondiale en dessinant des hôtels, des boutiques et en dirigeant des projets artistiques aux États-Unis, en Grande-Bretagne et au Japon. Il a acquis une renommée internationale pour l'éventail et la qualité de ses créations. Architecture, objets, mobilier, direction artistique, sa signature est invariablement associée aux plus belles marques : Lacoste, Jean-Claude Jitrois, Catherine Malandrino, Lancel, Le Tanneur International...

Christophe Pillet's impeccable sense of sensuality and refinement has helped him become one of a handful of French designers with worldwide recognition, designing hotels, boutiques and directing artistic projects in the United States, Great Britain and Japan. He has acquired an international reputation for the range and quality of his creations. From architecture and objects to furniture and artistic direction, his signature is consistently associated with the world's finest brands, including Lacoste, Jean-Claude Jitrois, Catherine Malandrino, Lancel and Le Tanneur International.

OTTO STUDIO

Depuis 2022, Sifas collabore avec OTTO Studio, né de la vision créative de Paola Navone. Domenico Diego et Cristina Pettenuzzo accompagnent Sifas dans l'évolution des styles et des tendances, en travaillant sur la direction artistique de la marque et en créant des collections uniques et inspirantes, toujours plus novatrices et surprenantes. Ce travail est renforcé cette année par des extensions de collections, le choix de tissus premium et les scénographies réalisées pour les showrooms Sifas.

Since 2022, Sifas embarked on a partnership with OTTO Studio, the interior and design studio born from Paola Navone's creative vision. Domenico Diego and Cristina Pettenuzzo are working with Sifas to develop the DNA of the company, and creating unique, innovative and inspiring collections that never fail to surprise. This year, they have also designed a number of additions to the existing collections, been involved in the choice of premium fabrics, and worked on the set designs for the Sifas showrooms.

Collections : HIPS - KONIC - RIVIERA

ERIC **CARRERE**

Collections : KALIFE - KWADRA - OSKAR

Durant sa carrière, Eric Carrère a concrétisé de nombreux projets dans des secteurs très variés : l'électroménager avec SEB, les lunettes avec CEBE mais aussi la SNCF et de nombreuses collaborations dans le mobilier Outdoor avec Sifas. Ce designer industriel aux nombreux talents nourrit son projet d'un brief "produit" et de l'analyse de l'univers de la marque et de son marché. Pour Oskar, il a tout d'abord étudié minutieusement l'histoire du fauteuil metteur en scène, afin de mettre en exergue ses principes fondamentaux pour mieux les sublimer, et développer des matériaux adaptés à un usage extérieur, notamment le teck synthétique que l'on retrouve sur les accoudoirs des fauteuils ou encore les plateaux des tables.

During his career, Eric Carrère has brought to life numerous projects in very diverse sectors: household appliances with SEB, eyewear with CEBE, as well as collaborations with SNCF and in outdoor furniture with Sifas. This industrious designer with many talents fuels his project with a «product» brief and an analysis of the brand's universe and its market. For Oskar, he first meticulously studied the history of the director's chair to highlight its fundamental principles in order to better sublimate them, and to develop materials suitable for outdoor use, notably synthetic teak found on chairs armrests and tabletops.

RESPONSABILITÉS : SIFAS® a été fondé en France sur les rives de la Côte d'Azur en 1964. Dès son origine, SIFAS® s'est spécialisé dans le mobilier et les textiles d'extérieur pour les terrasses, les piscines, et les bateaux, lui conférant une longue expérience des matériaux tous temps. La sélection, par les designers et par les bureaux d'études de SIFAS®, de systèmes de production, des pays de production des matériaux, des pièces détachées ou des produits finis, est faite selon les critères premiers du savoir-faire et de la qualité : tous temps, la plus grande simplicité d'usage et d'entretien, un recyclage sans dommage pour l'environnement. Les productions SIFAS®, issues d'Amérique du Nord, d'Europe ou d'Asie, respectent de la même manière les contraintes de développement humain et de développement durable.
GARANTIE : SIFAS®, confiant dans son savoir-faire spécifique et dans ses procédures de contrôle qualité, offre une garantie de 10 ans pour l'usage domestique à partir de la date d'achat, contre tous vices de fabrication sur les meubles, et une garantie de 2 ans sur les confections textiles et les traitements de surface. Cette garantie n'inclut pas l'usure normale, ni les conséquences de traitements non appropriés, ni l'endommagement par l'acheteur ou un tiers. SIFAS® peut choisir la modalité d'exécution de la prestation de garantie, entre réparation ou remplacement des pièces incriminées.
Toutes autres prétentions sont exclues.
DOCUMENT NON CONTRACTUEL : SIFAS® se réserve le droit de procéder à des modifications mineures sur ses produits en cours d'année.

LIABILITIES : SIFAS® was founded in France on the Riviera in 1964. Since its beginnings, SIFAS® has specialized in furnishings and outdoor textiles for patios, pools and boats. This has afforded it much experience in weather-resistant materials. The choice of production methods, countries of manufacture for the materials, components and finished products is made by our designers and SIFAS® creative team on the basis of our prime criteria for quality and expertise: weather resistance, greatest simplicity of use and maintenance, recycling without harming the environment. SIFAS® products coming from North America, Europe or Asia all respect in the same way the requirements for human development and sustainable development.
WARRANTY : Because of its confidence in its expertise and quality control procedures, SIFAS® offers a 10 years warranty for home use from the date of purchase for all manufacturing defects of the furniture and a 2 year warranty for textile products and surface finishing. This warranty excludes normal wear and tear and the consequences of any inappropriate treatment, as well as damage by the buyer or thirdparties. SIFAS® may choose how to respond to the warranty claim, either by repair or replacement of the involved components. All other claims are excluded.
